

# Quick Start

## Nighthawk X4S

### AC2600 Smart WiFi Router

Model R7800

**NETGEAR**<sup>®</sup>

## Package Contents

## 1. Attach the Antennas

To determine where to attach the antennas, match the labels on the antennas with the labels on the router.

Attach and tighten the antennas on the threaded antenna posts.

Position the antennas as shown.

## 2. Restart Your Modem and Plug In Your Router

**IMPORTANT:** Unplug your modem, remove and replace the backup battery if it uses one, and then plug the modem back in.

Use the Ethernet cable to connect the modem to the yellow Internet port on the router.

Connect the router to a power source. The router's Power LED  lights amber and then turns white when the router is ready.

## 3. Connect to the Internet

Make sure that the router's WiFi LED () is lit. Find the router's preassigned WiFi network name and password on the label on the router.

Open the WiFi connection manager on your computer or other WiFi-enabled device, find the router's WiFi network name, and use the router's password to connect.

Launch a web browser. If the NETGEAR installation assistant does not display, visit [www.routerlogin.net](http://www.routerlogin.net). If a login window opens, enter **admin** for the user name and **password** for the password.

Follow the NETGEAR installation assistant.

## All Set Up!

For more information about your router, see the Do More booklet.

## Get Free Apps

Start enjoying your new router right away with free apps that make management simple. Visit [support.netgear.com/product/R7800](http://support.netgear.com/product/R7800) to download the apps.

**NETGEAR genie.** Personal dashboard to monitor, control, and repair your home network.

**ReadySHARE Vault.** Free software for automatic backup of a Windows computer to a USB hard drive connected to the router.

## Support

Thank you for purchasing this NETGEAR product. You can visit [www.netgear.com/support](http://www.netgear.com/support) to register your product, get help, access the latest downloads and user manuals, and join our community. We recommend that you use only official NETGEAR support resources.

For the current EU Declaration of Conformity, visit [http://support.netgear.com/app/answers/detail/a\\_id/11621/](http://support.netgear.com/app/answers/detail/a_id/11621/).

For regulatory compliance information, visit <http://www.netgear.com/about/regulatory/>.

See the regulatory compliance document before connecting the power supply.
